# Worcestershire Marble Ltd

Worcestershire Marble Limited has been producing bespoke marble fireplaces in the Worcestershire countryside for over a quarter of a century. Purchasing only the finest materials from carefully selected suppliers from all over the world to ensure we have a wide choice of the finest quality materials.

Continual development of new fireplace designs, new materials and profiles help to keep up with new trends and fires on the market to give the widest choice.

Two tone surrounds of “The Dundee” and The Newton” are shown in the fashionable white and greys of the moment but, as with all of our products, available in any colour.

The stylish clean lines of “The Glencoe” and the “Arbroath” show off our newly developed profile “The Double Ovolo.”

The practical solidity of “The Heathfield” and subtle profiling of “The Marissa” and the “Marissa Curve.”

Also for the first time, we offer new led lighting technology with low power requirements and longer lifetime. Light packages now come with infrared Sensor On / Off Switch.
